Version 16.3.3 Release Notes

About/Contact Info

Version 16.3.3 is the latest update to MicroBiz for Windows. For release notes on a previous release of MicroBiz for Windows, please check our updates page online at https://microbiz.com/windows-support-release-notes/.

You can reach us through our website at **www.microbiz.com** or by phone:

- **Technical Support:** 702-749-5353 Option 1

- **Sales:** 702-749-5353   Option 2

Before Installation

- Please familiarize yourself with the contents of these release notes for details regarding this version of MicroBiz, including any limitations.

- You must be on MicroBiz for Windows version 9.0 or above to apply this update. Please call our support group to arrange a manual update if you are on a version older than version 9.0.

- As with any change to your MicroBiz software system, it is very important to complete a backup of your local and system files paths (BizWin and Business directories by default) prior to beginning an upgrade.

Highlights

Please view the list below for more information on fixes and improvements added to v16.3.3
